

## Notice of Correction

### **Attachment 1 to Item F.2.1 Draft Regional Official Plan Consultation Update and Statutory Public Meeting Special Committee of the Whole**

An issue has been identified with [Attachment 1](#) to the [Draft Regional Official Plan Consultation Update and Statutory Public Meeting report](#), particularly in the final 'response' column. As such Attachment 1 has been replaced with a version that removes the inaccurate content and refers the reader to an alternative document.

A memorandum will be on the revised agenda for the Committee of the Whole Special Meeting on May 19, 2022 for the Regional Official Plan that will identify the issue and outline corrective action being taken.

If you have any questions, please contact Sandra Malcic, Director, Long Range Planning at 1-877-464-9675 ext. 75274.

A handwritten signature in black ink, appearing to read "Christopher Raynor".
