Subject: Memo - 2019 Year-End Assessment Report

Good afternoon,

I am following up on a communication I delivered in December to municipal CAOs and Finance staff on behalf of Chris Rickett, Director, Municipal and Stakeholder Relations regarding MPAC's [2019 Year-End Assessment Report](#) which included two municipal level assessment snapshots unique to your municipality. You can find that communication below and the materials attached.

The report provides a high-level summary of MPAC's 2019 activities and detailed changes in your municipality's assessment base that will help Council's ongoing budgeting and tax policy planning.

Now that Finance staff have had a chance to review, we are requesting the opportunity to share this material with your municipal Council.

Please let me know if you have any questions.

I look forward to working with you during this Assessment Update year.

Subject: 2019 Year-End Assessment Report

We are pleased to share our [2019 Year-End Assessment Report for the 2020 tax year](#), which will be of interest to both municipal administration and elected officials. This report provides a high-level summary of MPAC's 2019 activities that are relevant to the municipal sector, and also two unique municipal level snapshots of the assessment changes within your municipality.

We are particularly proud of the partnerships we have developed this past year, some of which are highlighted on page 3 of the report. Be sure to take a look – and if you have a story of a collaboration with our MPAC team, please let us know as we would like to share it as well.

To encourage sharing with municipal councils, this report will also be delivered to Municipal Clerks in January for dissemination to your councils.

Your MPAC Account Manager or Regional Manager are available to answer any questions you may have.

On behalf of MPAC and our Municipal and Stakeholder Relations team, we wish you all the best for the holiday season.

We look forward to working with all of you in 2020 as we head into the Assessment Update.

Regards,

Chris
