

Proposed Modifications

1. Delete the phrase “existing and approved” in subsections:
3.10.3
3.10.4
3.10.6
3.10.15
3.10.16
3.10.20
2. Delete subsection 3.10.5 and renumber all subsequent subsections.
3. Delete “or between the developers and TCPL if the mitigation is to be installed on or within the compressor station property” from the last paragraph of subsection 3.10.16.
