

YORK REGION BUSINESS RECOVERY SUPPORT PARTNERSHIP

Working together, this collaborative partnership will continue supporting the business community impacted by COVID-19.

CORE DELIVERABLES:

Economic impact assessment

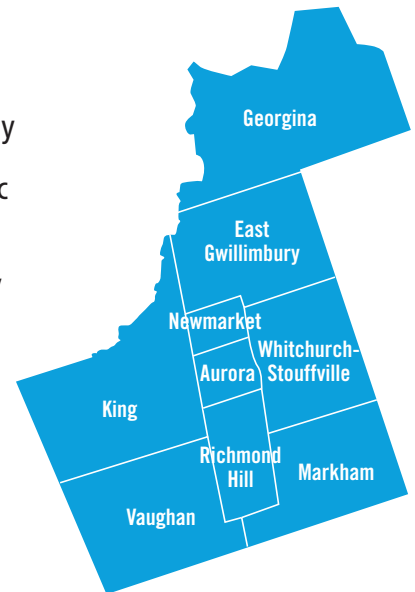

Streamlined business advisory support

Business community communications

MEMBERS:

- York Region Economic Strategy
- Nine local municipal economic development offices
- Nine Chambers of Commerce/ Boards of Trades
- Workforce Planning Board of York Region
- ventureLAB

INDUSTRY SUPPORT

The following specific sub-groups will be mobilized to support:

Crisis response supply chain

Support requests for supplies and work with provincial and federal governments to ensure needs are met.

Tourism, arts and culture

Collaborating with stakeholders from across York Region to assess the impacts of the tourism industry and explore recovery opportunities.

Agriculture and agrifood

Members of the York Region Agriculture and Agrifood Advisory Committee and other industry experts will continue looking at industry challenges and opportunities in York Region.

Business Advisory

Deliver ongoing business advisory services, conduct the business survey and an economic impact study. This group will also explore local program development through recovery.
