

Five Year Review of the SM4RT Living Waste Management Master Plan

On April 30, 2020 Regional Council made the following decision:

1. Council approve the updated SM4RT Living Waste Management Master Plan objectives and action areas for the next five years, including establishment of the Circular Economy Initiatives Fund under the existing SM4RT Living Plan budget.
2. The Regional Clerk circulates this report to all local municipal councils, Director of Resource Recovery Policy Branch from the Ministry of the Environment, Conservation and Parks and the Association of Municipalities of Ontario.
3. That the Request for Proposals to procure long-term processing capacity for source separated organic waste using anaerobic digestion technologies, shall include an option of awarding the tonnage blocks to separate proponents or to the same proponent, at the discretion of staff and in accordance with the Region's Purchasing bylaw, in order to achieve the best overall value.
