**ATTENTION STOP**

**RESIDENT LOUNGE  
CURRENTLY CLOSED**

It is important to practice social distancing as much as possible until further notice to manage the spread of illness. To support social distancing, resident lounges and common rooms are temporarily closed.

All York Region residents can take the following steps to protect themselves not only from new and emerging diseases but also from the common cold and the flu:

- Wash your hands often with soap and water or alcohol-based hand sanitizer
- Sneeze and cough into your sleeve
- Avoid touching your eyes, nose or mouth
- Increase cleaning and disinfection of high-touch surfaces like toilets, sink tap handles, doorknobs, countertops, etc. using regular household cleaners
- Avoid sharing toothbrushes, eating utensils, drinks/water bottles and towels
- Practice social distancing:
  - Avoid contact with people who are sick
  - Stay home if you are sick, in particular do not visit a long-term care or retirement home
  - Work from home if your employer offers
  - Avoid shaking hands
  - Maintain at least one metre (3 feet) space between you and others
