Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

Dear Regional Clerk,

I understand that there is a meeting regarding wearing facial masks in York Region.

I would like to voice my request to please make it mandatory to wear face masks while inside buildings that are open to the public, and outdoors, when it is not possible to maintain 2 meters distance from people outside of their households.

We all need to slow the spread of this deadly virus.

Thank you,

Maria Carmen Iammatteo
