

DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

Subject: Mandatory Masks

Spokesperson: Amy Brenham

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

Please make masks mandatory in all indoor public spaces. Many people may be asymptomatic carriers of Covid-19 and are too selfish to protect others in the community without a helpful shove in the right direction.

I've been wearing one voluntarily to protect others for weeks and I'm tired of people not affording me the same consideration. It's uncomfortable but I'm assuming being on oxygen or a ventilator would be worse. We're doing so well with the numbers and I would hate to see all that go to waste as we open back up because of a few selfish individuals.

Amy Brenham
