

# DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

**Subject:** Masks in Vaughan

**Spokesperson:** Loretta Puzzolanti

**Name of Group or person(s) being represented (if applicable):**

---

**Brief summary of issue or purpose of deputation:**

To whom it may concern:

As a Vaughan resident, I strongly support the use of masks in all enclosed spaces and where physical distancing is not possible. I understand that not all people can wear them due to health and mobility issues, so of course there should be exceptions.

Thank you for the opportunity to add my voice to this pressing matter.

Regards,

Loretta Puzzolanti
