

# DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

**Subject:** Masks

**Spokesperson:** Edward Arruda

**Name of Group or person(s) being represented (if applicable):**

---

**Brief summary of issue or purpose of deputation:**

Visiting Upper Canada Mall last weekend we found many people all in groups of several, not only walking next to each other but also walking the opposite way to the floor markings! making it virtually impossible to pass them. None of them were wearing masks as well as walking past a foot away from us.

We understand the mall cannot police the way people walk, but surely they can be made to wear masks. Please vote yes to mandatory use in Newmarket.

Thank you.
