Subject: Mandatory face coverings in York Region

Spokesperson: Angela Ha

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

Dear sir/madam,

I am a resident in Richmond Hill. Me and my family would like to express our support on masks or face coverings being mandatory in indoor space and outdoor where social distancing is not possible. This is vital for everyone to do so to protect the vulnerable, those who cannot wear a mask because of health issues and everyone else.

Thanks,
Angela Ha
