

DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

Subject: Mask Mandate

Spokesperson: Bruna Monaco

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

I'm truly disappointed and beyond appalled with Markham Mayor Frank Scarpitti !!!!!

What has happened to OUR FREEDOM TO CHOOSE ??? Has our Canadian Charter of Rights been obliterated???

Are citizens such as myself (71) and my husband (72) with health issues of no concern to Mayor Scarpitti ? Obviously NOT.

His only concerns is VOTES!!

Are WE the taxpayers now responsible for footing the bill to employ additional police so that they may try to enforce this ridiculous executive order?

It's clearly obvious that we are being controlled and manipulated beyond anything we could ever imagine. Thankfully many see right through this "tyranny" Perhaps Mayor Scarpitti is NOT AWARE that the mortality rate is 0.4% !!!

WE in our household will NOT WEAR MASKS UNDER ANY CONDITIONS.....It's anti-Science, anti-Health and anti-Freedom.

We have no problem doing business, shopping, etc. OUT of York Region.
