

# DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

**Subject:** Mandating indoor mask-wearing

**Spokesperson:** Edith Lo

**Name of Group or person(s) being represented (if applicable):**

---

**Brief summary of issue or purpose of deputation:**

I am writing with regards to Richmond Hill's Covid-19 reopening measures. I notice a news article on CP24 dated June 30 that many mayors in the GTA area are in support of mandating mask-wearing in indoor places. However it appears that Richmond Hill is not mentioned on the article. I would like to inquire if you plan to implement this? As a Richmond Hill resident, my family and I are fully supporting mandatory mask wearing, as we believe it is a very effective measure to prevent or lower the impact of covid-19.

If you have already made a decision for not mandating indoor masking, may you explain why and how your reach this decision?

News article on CP24 for your reference:

Thank you.
