REGIONAL COUNCIL

JULY 9, 2020

**Subject:** Rosemary Di Tella-Salib

**Spokesperson:** Mandatory masks/face coverings

**Brief summary of issue or purpose of deputation:**

As a resident of York region, I definitely think that York region should make face masks mandatory in all indoor spaces.

Evidence shows that wearing a mask indoors can help reduce the spread of COVID-19. It's a simple, affordable, and reasonable action for everyone of us to take to save lives.

Elderly parents, people with compromised immune systems, if we all use a face mask while indoors we can help save the lives of the most vulnerable.
