

DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

Subject: Mandatory Masks

Spokesperson: Lovanna and Jim Sanders

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

York Regional Council, Chairman Emmerson, Mayors and Regional Councillors of York Region;

We strongly support the proposal to make the wearing of masks mandatory in all indoor public buildings and outdoors where physical distancing is difficult in York Region.

Masks have been widely proven to be one of the most effective ways to mitigate the spread of Covid19. Governments that implemented this policy early have far less illness and death and economic disruption.

My (Lovanna's) Grandfather died in 1918 in the "Spanish Flu". In 2020, we know how this virus spreads. Please make masks mandatory.

Thank you,

Lovanna and Jim Sanders
