

DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

Subject: Mask Wearing Indoors

Spokesperson: Priska Widjaja

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

Please make wearing masks mandatory. Mayor Frank Scarpitti advocated for it first before Phase 2 opened and we are still debating about this? Meanwhile Toronto and Peel has enforced this rule. This needs to be done ASAP! Markville Mall already has 1 confirmed POSITIVE covid19 case. While we don't know if the person was wearing a mask or not - we hope they were. Mask policies need to be strict and clear. If customers are not wearing one, they should not be able to get service or allowed in the store.
