

DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

Subject: Face Covering

Spokesperson: Becky Reynolds

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

I Fully support face coverings for all in door spaces.

Currently most retail workers must wear one to serve and protect customers. why are workers expected to keep customers safe by wearing a mask or shield and yet continue to be unprotected by non face covered customers?

Other cities are mandating this and we should as well.

Thank you.

Becky Reynolds
