REGIONAL COUNCIL

JULY 9, 2020

**Subject:** Vote : Yes to mandatory masks

**Spokesperson:** Judith Lebrun

**Name of Group or person(s) being represented (if applicable):**

**Brief summary of issue or purpose of deputation:**

My husband and I are residents of Newmarket. Both of us are in favour of making the wearing of masks mandatory in York region. It is the only way to keep us safe and still open the economy while flattening the curb. I appreciate that unlike the US wearing a mask has not become a political statement and that we as Canadians are vases our decisions on science. Please continue to support science by voting yes to mandatory masks.
