

DEPUTATION IN WRITING

REGIONAL COUNCIL

JULY 9, 2020

Subject: Face Masks

Spokesperson: Mary Lane

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

I understand that you are looking out for us seniors health wise, but during this time financially we are barely getting by on our meager pensions and masks are a luxury that's hard to find and we can not afford. So if it's decided to make them mandatory maybe some assistance would be much appreciated from many who are unable to work at this time to supplement our income for basics such as food and bills.

Sincerely yours
Mary Lane
