

DEPUTATION REQUEST

COMMITTEE OF THE WHOLE
SEPTEMBER 10, 2020

Subject: King Township Official Plan

Spokesperson: Paul Davidson

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

Objections to King Official Plan as no ongoing by law action is being undertaken with regards to illegal businesses. York response to submission was and stands as incorrect. I require as well an environmental report to address the filling in of the waterways adjacent to me and other places in King Township. The new proposed official plan allows an illegal operations to continue unabated. Last time I spoke to King I was not given ten minutes and was muted without cause.
