

DEPUTATION IN WRITING

REGIONAL COUNCIL
SEPTEMBER 24, 2020

Subject: Objection to the King Township Draft Official Plan RE 13120 and 13144 Keele St

Spokesperson: Brian Walker

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

I have communicated with all 5 owners who originally submitted letters to King Township requesting a designation for their lands which permits a more intensive use and believed we had succeeded. We all object to the last minute change designating these lands as Established neighbourhood.

Regards

Brian Walker,
