360°KIDS PROGRAM — EVERY BITE MATTERS

"I think this program is a good idea. I liked the sweets!"

~ Richmond Hill Hub resident

"I'll be 90 next year, and I still prefer the company of the young ones over old people. I think it's a wonderful partnership and I feel blessed that the kids want to spend time with us. I hope this program continues."

FAIRY LAKE GARDENS — EXTERIOR ENHANCEMENTS

“The construction work . . . has made wonderful progress ... given . . . of course the COVID virus, the efforts toward completion have remained steady ... I’m very pleased with the building’s enhancement with updated colour selections and look forward to seeing the final result displaying new balcony railings, windows, doors and landscaping. I consider myself so very fortunate to live here!”
