Subject: Please do not weaken our Greenbelt!

Dear Sirs,

I urge York Region Council to NOT ask the Province to remove any lands from the Greenbelt and Oak Ridges Moraine Conservation Area.

I and many of my neighbours worked hard to get the Province to protect these lands. I would feel betrayed by any elected representative who votes to weaken these areas.

In this instance, I stand firmly against adding employment lands or water and sewer infrastructure into these protected areas.

I know these natural areas and farmlands are essential to the health of the Moraine and our communities. These lands must not be compromised by development.
