Good Morning Christopher:

Earlier this morning, Don Hamilton forwarded a note to me suggesting that it would be helpful if I shared my thoughts related to re-opening fitness facilities in Markham.

I have been a resident of Markham for over forty years. Competitive sports and fitness have been an important element of my health and well-being through out my life.

If you have any additional input which I should consider, in advance of the meeting, then please pass it along.

I look forward to providing thoughtful input at your session.

Stay safe.

Regards,

Jim
