

DEPUTATION IN WRITING

SPECIAL REGIONAL COUNCIL

DECEMBER 22, 2020

Subject: Motion to request moving back into red zone

Spokesperson: Joan Parsons

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation: (Deputation in Writing)

For the councillors who voted no..... I am writing to ask that you please reconsider and vote on Tuesday to go back to the red zone to help these and other restaurants. Small businesses have followed all the rules, have had no cases and are doing their best to stay afloat. There is no valid scientific reason they should suffer. Christmas is their busiest time and we all know that if they close, there is no coming back - just like the other restaurants and small businesses that have already closed.

This motion is fair and reasonable. I cannot believe in your heart you are ok with this. Please do the right thing and help them. This could be your family.

Thank you.

Joan Parsons
