REGIONAL COUNCIL

JANUARY 28, 2021

Subject: Lockdown

Spokesperson: Erika Allen

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

I would like to protest the unnecessary lockdown that is being imposed on us. This is adversely affecting small businesses, schooling, mental health and individual rights. The lockdown is clearly not reducing case numbers.

Do the right thing and demand that the provincial government lift it immediately.
