

DEPUTATION REQUEST

REGIONAL COUNCIL
JANUARY 28, 2021

Subject: Committee of the Whole Items C.2, H.2.1 and G.1.1

Spokesperson: Bryan Keshen, Chief Executive Officer

Name of Group or person(s) being represented (if applicable): REENA

Brief summary of issue or purpose of deputation:

To the Regional Clerk

Bryan Keshen, CEO Reena, who appeared before council on November 5, 2020, would like to request an opportunity to make a deputation to York Region Council, specific to Item G.1 on the January 28, 2021 Agenda

- G - Consideration and Adoption of Reports
- G.1 – Committee of the Whole Meeting – January 14, 2021

Reena received insufficient notice of York Region’s Committee of the Whole meeting on January 14, 2020, and therefore did not have an opportunity to speak to a Communication on that agenda and have our comments “Received” at that meeting

We would like to make a deputation specific to 2 items of the January 14, 2021 meeting

- Presentation C2, Report H.2.1 – Regional Official Plan Update – Housing Challenges and Opportunities
- Communications – G.1.1 – Estimated Investment Requirement to Address Unmet Supportive and Community Housing Needs in York Region – Reena is referenced in this report

Reena would like the opportunity to make this deputation, so our thoughts are “Received” by York Region Council at the same time as the January 14, 2021 Committee of the Whole Meeting minutes.

Thank you
