

DEPUTATION REQUEST

COMMITTEE OF THE WHOLE

JANUARY 14, 2021

Subject: Lockdown

Spokesperson: Elie Klein

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

A motion by Regional Councillor Perrelli was narrowly defeated a few weeks ago. I would like to advocate for reintroduction of the motion to have council advocate on behalf of its residents to stop lockdown measures in light of questionable scientific evidence for a pandemic.
