**Subject:** MPAC's 2020 Municipal Partnership Report

Good morning Christopher,

In December, we shared year-end assessment base information with municipal CAOs and finance staff along with MPAC's 2020 Municipal Partnership Report <https://news.mpac.ca/2020-municipal-partnerships-report>.

The report provides a high-level summary of MPAC's 2020 municipal-focused activities, including how we responded to COVID-19 by shifting priorities, transforming how we share information, working differently, and by finding new ways to stay connected.

Now that your finance team has had a chance to review the report, we are requesting the opportunity to share this material with your municipal Council.

Please let me know if you have any questions.

We look forward to working with you in 2021.

Thanks,

Chris

# 2020 MUNICIPAL PARTNERSHIPS REPORT

In 2020, the pandemic made our **collaborative relationships** with municipalities more important than ever.

## **Read our 2020 Municipal Partnerships Report to learn about how we:**

- Responded to the postponement of the Assessment Update by shifting priorities to meet the needs of municipalities
- Found new ways to access information we needed to capture \$37.3 billion in new assessment across Ontario
- Stayed connected with the municipal sector virtually
- Are transforming the ways we share data with municipalities
