

DEPUTATION REQUEST

COMMITTEE OF THE WHOLE

FEBRUARY 11, 2021

Subject: Greater Toronto West Transportation Corridor

Spokesperson: Angela Grella

Name of Group or person(s) being represented (if applicable):

Brief summary of issue or purpose of deputation:

To advocate that York Region Council adamantly oppose the GTA West Transportation Corridor. Highway 413 is a redundant and unnecessary highway that will cut through protected Greenbelt land, destroy prime productive farmland, damage waterways, forests and encourage more urban sprawl on either side of the highway. Highway 413 will not solve traffic congestion.
