

March 16, 2021

Thank you to the Chair and the committee for providing us an opportunity to voice our concerns at this meeting. We are a group of landowners and homeowners of Study Area 31 (Block 69) in Vaughan.

We are writing this letter to express our support for the preliminary recommendation to have no new agricultural designation in Study Area 31 (Block 69) and for these lands to remain rural.

Thank you once again, and we will continue to observe your voting on the issue.

Thank you,

Landowners and Homeowners of Study Area 31 (Block 69)
