Subject: Please stop the 413

Hello, I'm a resident of Newmarket and have lived here for 25 years. I have been following the news about Highway 413 and the Bradford Bypass, which would go through the Holland Marsh. I am AGAINST this unnecessary highway which would exacerbate urban sprawl, decimate farmland, destroy yet more wildlife habitat, increase greenhouse gas emissions (many York Region municipalities have declared a Climate Emergency), and destroy part of the Greenbelt (which is illegal). Please, please, please make my voice heard and oppose Highway 413 and the Bradford Bypass.

Sincerely,
Shelley Bond
