Subject: Stop the 413

Hello Distinguished Council Members,

I work (Ward 2) and reside (Ward 3) in Vaughan.

I am asking York Regional Council to reverse the enforcement forte GTA West Corridor/Highway413 and support the request for the Federal Impact Assessment.

The main reasons to vote against the 413

- 1) Insufficient studies especially for Vaughan
- 2) No support from residents
- 3) The Wynn government stand there was no benefit to constructing this highway.

Thank you for taking the time to read this request.

Thank you

Andre Willi
