Subject: Fw: David, York Region can STOP Highway 413!

Good day!

I was one of thousands of York Region residents who was asked to express my support in opposition to your foolish decisions as our elected public servants with respect to this issue.

Mass media and Social media observers are waiting for you to show us whether you are working on our behalf..

or foolish enough to think you can oppose our majority.

Your choice...

If you have children, or grandchildren...
what will they think of you...do you care?
