Attention: Regional Clerk

We are in receipt of the application for Regional Official Plan Amendment No. 7 proposing a redesignation of 'Prime' agriculture to 'Rural' agricultural within the Greenbelt Corridors of the Berczy, Bruce and Robinson Creeks in Markham.

We wish to be included on the public record as having an interest in this proposed amendment. More fulsome comments will be submitted to the Region once this matter has been considered by Markham Council (targeted for June) and in advance of a Regional Council decision on the application.

Regards,

**Biju Karumanchery**

Acting Commissioner of Development Services.
