Policy Statement

A policy governing the deferral of Regional development charges and area-specific development charges for affordable, purpose-built rental buildings that are a minimum of four storeys above grade.

Application

This policy is available for affordable, purpose-built rental buildings located within the boundaries of the Urban Area and Towns and Villages as identified in York Region Official Plan, Map 1 Regional Structure, subject to the terms and conditions as set out in this policy and/or modified through the required agreements.

For the purposes of this deferral, the development may be registered as a condominium, but it must be entirely operated as a rental property for a period of not less than 20 years.

To be eligible, the development must be:

- A minimum of four storeys
- Affordable to the midrange income cohort (household incomes that fall between the fourth and sixth deciles of income distribution for York Region) with average rents that are less than, or equal to, 175% of Average Market Rent for private apartments, by bedroom type

Purpose

The purpose of this policy is to incentivize the development of affordable, purpose-built rental buildings that are a minimum of four storeys above grade. Additional affordable, purpose-built rental buildings could achieve the following outcomes:

- Increased affordable purpose-built rental supply in the Region
- More complete communities offering a range of housing options

Description

1. Development Charges Deferral Agreement

Any developer wishing to defer development charges for affordable, purpose-built rental buildings (minimum of four storeys) must enter into a development charges deferral agreement with the Region.

Development Charges Deferral for Affordable, Purpose-Built Rental Buildings

A development charges deferral agreement will only be executed by the Region provided that the developer can immediately upon execution of the agreement attain building permit issuance by the local municipality.

2. Development Charges Deferral Agreement – Rules

The deferrals under this policy will be available to a maximum of 1,500 units over a three year period, commencing immediately after Council originally approved this policy, on October 17, 2019. It will be available on a first-come, first served basis.

In the event more than one affordable, purpose-built rental building wishes to enter into a development charges deferral agreement with the Region on the same day, the result of which is to exceed the total unit cap during the three year period, it will be up to the Commissioner of Finance and the Chief Administrative Officer to determine qualification and whether the unit cap may be exceeded.

This Term will be subject to Extension of Time provisions in Term '18'.

3. Covenants Included in the Development Charges Deferral Agreement

Every development charges deferral agreement will include covenants on the part of the developer.

These covenants will include, but not be limited to, a covenant by the developer(s) that:

- a) The affordable, purpose-built rental building will remain affordable for a period of not less than 20 years
- b) Monthly rents will not be increased at a rate that brings them above 175% of Average Market Rent for private apartments, by bedroom type
- c) For those units that achieve 125% Average Market Rent or less for private apartments, by bedroom type, and do not have to satisfy the unit split requirement identified in Term '4' of this policy, that they will be maintained at 125% Average Market Rent or less for private apartments, by bedroom type, for the duration of the development charges deferral
- d) They will notify the Region on an annual basis, at an agreed upon date, in an agreed upon manner, of the rents, by bedroom type, in the affordable, purpose-built rental building
- e) If they are found to be in non-conformity with clauses 'a', 'b', 'c', or 'd' of this Term ('3'), development charges will be made payable (including interest)

- f) They will enter into any additional agreement(s), as determined to be required by the Regional Solicitor, to give full force and effect to the development charges deferral agreement

4. Duration of the Deferral

a. Duration

The duration of the development charges deferral will vary based on the location, total number of units and number of units that are two or more bedrooms, in accordance with Table 1 below.

**Table 1
Duration of Development Chart Deferral**

Criteria*	Duration of Development Charges deferral

**Note:

- Units that achieve 125% of Average Market Rent or less for private apartments, by bedroom type, may not have to satisfy the unit split requirement

Development Charges Deferral for Affordable, Purpose-Built Rental Buildings

- In addition, those units that achieve 125% of Average Market Rent or less for private apartments, by bedroom type, will be excluded from the total number of units used to calculate the unit split calculation
- Those units that have been excluded from the unit split requirement, as a result of achieving 125% of Average Market Rent or less for private apartments, by bedroom type:
 - must be maintained at 125% of Average Market Rent or less for private apartments, by bedroom type for the duration of the Development Charges deferral
 - after the Development Charges deferral they must still be less than, or equal to, 175% of Average Market Rent for private apartments, by bedroom type
- These units must remain less than, or equal to, 175% of Average Market Rent for private apartments, by bedroom type, for the duration of the restrictive covenant as identified under Term '8' of this policy.

b. Start date

1. Development charges are deferred until 15 days immediately following the date that is 5 years, 10 years, or 20 years (as applicable) after the date that the building permit is issued by the local municipality
 - Applications submitted for approval of a development in a site plan control area under subsection 41(4) of the Planning Act for an affordable, purpose-built rental building prior to January 1, 2020, or
 - Applications submitted for an amendment to a bylaw passed under section 34 of the *Planning Act* prior to January 1, 2020
2. Development charges are deferred until 15 days immediately following the date that is 5 years, 10 years, or 20 years (as applicable) after the earlier of the date of the issuance of a permit under the Building Code Act, 1992, authorizing occupation of the building or the date the building is first occupied
 - Applications submitted for approval of a development in a site plan control area under subsection 41(4) of the Planning Act for an affordable, purpose-built rental building including and after January 1, 2020, or
 - Applications submitted for an amendment to a by-law passed under section 34 of the Planning Act including and after January 1, 2020

If the occupation of the building is not authorized by a permit under the Building Code Act, 1992, the developer must notify the Region within five business days of the building first being occupied, whereupon the deferral period will begin. Failure to notify the Region within five business days of the building first being occupied will constitute a material default of the deferral agreement.

Development Charges Deferral for Affordable, Purpose-Built Rental Buildings

Development charges will be payable prior to the timeframe indicated in Table 1 should any of the following trigger events occur:

- Change of use from an affordable, purpose-built rental building
- Failure to notify the Region on an annual basis, at an agreed upon date and in an agreed upon manner of the rents in the affordable, purpose-built rental building
- Monthly rents exceeding 175% of Average Market Rent for private apartments, by bedroom type
- Monthly rents exceeding 125% of Average Market Rent for private apartments, by bedroom type, for those units that do not have to satisfy the unit split requirement identified in Term '4' of this policy. This trigger only applies for the duration of the Development Charges deferral
- Sale, or transfer of ownership, of the property unless an assumption agreement is entered into
- Any other material default as defined in the agreement(s)

Notification to the owner of the property on the tax roll will occur immediately after the trigger event. The 15 business days will begin with the mailing, by registered mail, of notice.

5. Development Charges Rates

The Regional development charges rate will be the amount determined under the applicable development charges bylaw:

- a. Day of building permit issuance
 - i. Applications submitted for approval of a development in a site plan control area under subsection 41(4) of the Planning Act for an affordable, purpose-built rental building prior to January 1, 2020, or
 - ii. Applications submitted for an amendment to a bylaw passed under section 34 of the *Planning Act* prior to January 1, 2020

- OR -

- b. Day of application
 - i. Applications submitted for approval of a development in a site plan control area under subsection 41(4) of the Planning Act for an

Development Charges Deferral for Affordable, Purpose-Built Rental Buildings

affordable, purpose-built rental building including and after January 1, 2020, or

- ii. Applications submitted for an amendment to a bylaw passed under section 34 of the Planning Act including and after January 1, 2020

For greater clarity, if clauses b(i) and b(ii) do not apply to an affordable, purpose-built rental building that is seeking to defer development charges including and after January 1, 2020, the development charges rate is determined on the day the development charges is payable in accordance with section 26 of the Act.

6. Development Charges Payable

The amount of the development charges payable to the Region, as required under the Act, will be based on the rates determined under Term '5' of this policy multiplied by the number of dwelling units, of which will be determined on the day that the developer enters into a development charges deferral agreement with the Region.

7. Interest Waiver

All interest will be calculated using the development charges payable in Term '6' to this policy until the date upon which the development charges are fully paid.

All deferred development charges will bear interest at the prime commercial lending rate charged by an agreed upon 'Schedule I' commercial bank on demand loans in Canadian funds to its most creditworthy customers plus 2% per annum. All interest will accrue and be compounded.

The time period will be calculated beginning on the date of issuance of the building permit for the proposed structure by the local municipality.

The Region will forgive all amounts due and owing on account of interest, provided that the development charges are paid in full to the Region at the time required (within 15 business days immediately following notification of a trigger event as defined in Term '4' of this policy).

In the event unpaid development charges are added to the tax roll (Term '10'), interest will continue to accrue and be compounded until all outstanding charges are fully paid.

8. Restrictive Covenant

A 20 year change of use covenant will be registered on the title stipulating that the property will be developed and entirely operated as an affordable rental building for

Development Charges Deferral for Affordable, Purpose-Built Rental Buildings

a period expiring 20 years from the date that an occupancy permit is issued for the affordable, purpose-built rental building.

The burden of the restrictive covenant will run with the title of the land.

9. Local Participation

The Region will only enter into a development charges deferral agreement if the local municipality has provided a similar, if not better, deferral, exemption, or other incentive, for the proposed development.

It will be up to the Commissioner of Finance and/or the Chief Administrative Officer, in consultation with the Chief Planner, to decide what constitutes “similar, if not better”, but this may be determined by looking at:

- Whether or not there is a prescribed timeframe for the deferral
- Whether or not interest is waived
- Other incentives that may be provided, be them financial or otherwise

10. Unpaid Development Charges

If any development charges (including any interest) are unpaid within 15 business days immediately following notification of a trigger event identified in Term ‘4’ of this policy, or at the end of the development charge deferral timeframe when payment has not been made, those development charges (including interest) will be added to the tax roll and collected in the same manner as taxes (in accordance with section 32 of the Act).

In the event unpaid development charges are added to the tax roll, interest will continue to accrue and be compounded until all outstanding total charges are fully paid (development charges + interest).

11. Security

A form of security will be taken and registered against the title to the property, at the execution of the development charges deferral agreement with the Region. The Region’s security interest will always be, at minimum, *pari passu*, or of equal footing, to that of the local municipality offering a similar, if not better, deferral of development charges.

12. Other Agreements Required

In addition to the requirements that the developer enter into a development charges deferral agreement with the Region, the developer will enter into any other

Development Charges Deferral for Affordable, Purpose-Built Rental Buildings

agreements as required by the Regional Solicitor. Additional agreements include, but may not be limited to:

- Charge
- Assignment of Rents
- Restrictive Covenant
- Pari Passu Agreement
- General Security Agreement
- Other agreement(s) as deemed necessary

13. Legal Fees

All legal fees of the developer(s) and Region, including any costs incurred by the Region to prepare any other agreements required by the Regional Solicitor, will be borne by the developer.

14. Report Back to Council

Staff will report back to Council prior to the end of this Council term, on the results of the rental incentives provided and provide a recommendation on whether additional steps should be taken to further facilitate affordable, purpose-built rental development.

This Term will be subject to Extension of Time provisions in Term '18'.

15. Non-Applicability – 36 month Development Charges Deferral

For greater clarity, any affordable, purpose-built rental building that avails itself of the deferral under this policy is not eligible for the Region's 36 month development charges deferral for purpose-built rental buildings that are a minimum of four storeys.

16. Mixed-Use Developments

For greater clarity, this policy does not apply to the non-residential development charges due for any mixed-use development, the residential portion of which is an affordable, purpose-built rental building.

17. Section 26.1 of the Act

For greater clarity, any purpose-built rental building to which section 26.1 applies and that opts to pay development charges in instalments in accordance with section 26.1 of the Act, will not be entitled to also avail itself of the deferral under this policy.

18. Extension of Time

Development Charges Deferral for Affordable, Purpose-Built Rental Buildings

The three year timeframe, as contemplated in Term '2', will be extended by two years.

The minimum timeframe to report back to Council, as required under Term '14', will be extended by two years.
