Re: East Gormley Water and Wastewater Servicing Request Report

East Gormley Servicing Report deferred with subsequent productive discussions between Region and Town staff

At the February 11, 2021 Committee of the Whole meeting, Mayor Lovatt requested deferral of the East Gormley Water and Wastewater Servicing Request Report, pending further discussion between Regional staff and the Town of Whitchurch-Stouffville.

On March 16th, Regional staff met with staff from the Town of Whitchurch-Stouffville as well as from the City of Richmond Hill to discuss servicing of the Gormley lands to address Council resolutions made by the Town of Whitchurch-Stouffville and the City of Richmond Hill.

Subsequently, Chairman Emmerson met with Mayor Lovatt and they agreed with continuing to work together as outlined in the recommendations detailed in the East Gormley Water and Wastewater Servicing Request Report now proceeding to Council.
