

Office of the Commissioner
Environmental Services Department

MEMORANDUM

To: Regional Chair Emmerson and Members of Regional Council

From: Erin Mahoney, M. Eng.
Commissioner of Environmental Services

Ann-Marie Carroll
Acting Commissioner of Transportation Services

Date: June 15, 2021

Re: June Committee of the Whole Agenda Item F.2.1 Attachment 2 Page Six Replacement

Report F.2.1 Attachment 2, page six from June 10, 2021 Committee of the Whole has been corrected

Typos were found on page six of Attachment 2 of the June 10, 2021 Committee of the Whole report number F.2.1 Revised Provincial Timelines for Corporate Asset Management Plans. Attachment 1 of this memo is the corrected page six of the 2019 State of the Infrastructure Report.

Typos were corrected related to Regional asset condition percentage

Minor revisions were completed, as shown in Attachment 1 of this memo. Specific changes include amendment of the percentage of Regional assets in fair to very good condition from 99% to 89% and Section 2.3 table corrections to the value of assets in poor and very poor condition for Housing Services, Paramedic Services and Senior Services.

All Service Area data will be updated in the 2020 State of the Infrastructure Report and staff will report back to Council in 2021

Staff are collaborating to finalize the 2020 State of the Infrastructure Report and will report the results to Council before the end of the year.
