		2021 Expected Total	Potential Additional Funding
	January to March 2021 costs. Amount shown is based on actual eligible expenses incurred.		
Emergency Health Services Incident Management System	Reflects Provincial funding of up to \$262,000 related to the implementation of a centralized Incident Management System for emergency health services communicated in a March 31, 2021 letter. The funding covers the cost of a dedicated ambulance for patient transfers between January and March 2021. Amount shown is based on actual eligible expenses incurred.	0.14	TBD
Federal Safe Restart – September Reopening Plan and Provincial Reinvestment	Includes funding for childcare and EarlyON programs to purchase PPE, enhanced cleaning, staffing and other resources. The reinvestment for 2021 was confirmed in a February 2, 2021 letter.	5.35	-
Safe Restart Agreement Municipal Funding	Includes \$9.92 million in support announced through Phase 2 and the additional \$21.1 million announced in March 2021 through the Safe Restart municipal funding stream for municipal operating pressures related to the COVID-19 response	31.05	-
Safe Restart Agreement Transit Funding	Includes funding through the Safe Restart transit funding stream for transit-related pressures due to COVID-19. Reflects \$6.8 million of the Region's eligible share of up to \$21.4 million made available through Phase 2, as submitted for Phase 2 funding reporting. Also includes \$16.7 million in estimated support through Phase 3. The amount and timing of total funding available is pending Provincial review and approval	23.16	-
Provincial High Priority Communities Strategy	Support for 280 new isolation center beds for vulnerable populations up to the end of March 2021 communicated through a January 7, 2021 letter. Includes auxiliary costs, such as meals, security, and cleaning, as well as temporary COVID-19 isolation wrap-around supports for individuals requiring testing or self-isolation but do not qualify for Provincial income assistance programs. Reflects repayment of \$1.96M due to program ramp-up timing and below capacity occupancy	5.19	TBD

Area	Description	(\$ Millions)	
		2021 Expected Total	Potential Additional Funding
		7.06	TBD
Ontario Isolation Centres Initiative (OICI)	Reflects continued support for 280 isolation center beds to support high-priority communities and vulnerable people who need to isolate, similar to the Provincial High Priority Communities Strategy communicated in an April 7, 2021 letter. Reflects funding for eligible expenses incurred between March 31 and June 30, 2021.		
Public Health COVID-19 response (budget)	Ministry of Health support for extraordinary expenses incurred as part of Public Health response. The amount shown reflects expected revenues reflected in the approved 2021 budget.	-	37.48
Public Health COVID-19 response (preliminary revised estimate)	Potential additional Ministry of Health support for Public Health response above budgeted amount, based on preliminary revised estimate. The Province has affirmed continued support through 2021 through a January 13, 2021 letter. Final funding will be based on eligible incremental costs submitted to the Province at year-end and will reflect any amount that cannot be accommodated in the Region's cost-shared funding allocation.	-	60 to 90
Canada Infrastructure Plan (ICIP)	Includes potential support through the ICIP – COVID-19 Response Stream for COVID-19 response infrastructure in eligible buildings, active transportation and/or other capital.	5.75	6.57
