--	----------	--	----------	--	---------	--	-----------------	--	-----------------	--	--------------------------	--

Strategic Priority 1: Expanded Housing Portfolio

Four-Year Actions	Key Performance Indicators	2021 Actions	2021 Target	Status	Details
Goal 1: Portfolio expansion bey	ond the normal rate of growth				
1.1 Support HYI portfolio expansion by recommending and prioritizing land for development/redevelopment, and identifying new partnerships through a working	A. Number of preliminary development concepts, including feasibility assessments, for priority HYI sites identified through the Portfolio Management Plan	Complete development concept and feasibility assessment	1 concept	On track	Development concepts underway for two Region-owned sites to be included in an amended application for the Rapid Housing Initiative Round 2
group of Regional team members in consultation with HYI Board members and industry experts	B. Number of development concepts explored with partners (e.g. developers, housing providers, YRRTC, Metrolinx, school boards, LHIN, school boards, faithbased organizations, local municipalities)	Develop program to fund and complete development concepts	2 concepts	On track	 Preliminary work underway to explore concepts with a developer at sites in the Towns of Aurora and Whitchurch-Stouffville Preliminary discussions with City of Markham and YRRTC regarding potential development near the Yonge North Subway Extension End of mortgage funding provides a potential opportunity to fund these projects
		Environmental scan to identify potential partners	Scan completed	On track	 Potential partners identified, including developers and local municipalities Consultant to be retained to identify opportunities with potential additional partners
		Begin engaging with potential partners to explore opportunities	Engagement process underway	On track	 Discussions with potential partners have begun, including local municipalities and developers The Towns of East Gwillimbury, Georgina, Newmarket and Whitchurch-Stouffville, Township of King, and City of Markham have identified potential opportunities to support the acceleration of affordable housing, which may include the provision of land and/or exemption of parkland dedication fees

Four-Year Actions	Key Performance Indicators	2021 Actions	2021 Target	Status	Details
					 Will be working in partnership with municipalities that have passed resolutions to provide land to identify potential sites Following up with municipalities that have not yet responded to Council's request for the provision of land and exemption of parkland dedication fees
	C. Number of established partnerships for codevelopment on partner sites	 Environmental scan to identify potential partners 	Scan completed	On track	 Potential partners have been identified, including local municipalities and developers Consultant to be retained to identify opportunities with potential partners
		 Begin engaging with potential partners to explore opportunities 	Engagement process underway	On track	 Have had initial discussions with a developer regarding sites in the Towns of Aurora and Whitchurch-Stouffville
 1.2 With Regional support, assess feasibility and initiate innovations to intensify existing HYI sites, such as: Modular home demonstration project Low rise development(s) Public-private partnerships Scoping of Armitage Gardens redevelopment as part of the Newmarket Health Centre 	A. Number of units in planning and development at a stage ready for implementation based on funding	Identify candidate HYI sites	Sites identified and approved by Board	On track	 HYI sites have been approved by the Board for new transitional housing in the Towns of East Gwillimbury and Georgina Council approved use of Regional sites in the Town of Newmarket and the City of Markham, which will be included in an updated application to CMHC's Rapid Housing Initiative Round 2 Sites in the Town of Aurora and Township of King have been removed due to size and future development potential
Campus master plan		Affordable Housing Development Master Plan presented to Regional Council to support doubling rate of growth, with funding proposal	Regional Council approval secured	On track	 Draft plan under development, including identifying redevelopment sites and new development opportunities to support doubling the rate of growth End of mortgage funding provides a potential opportunity to fund these projects Council report planned for the fall
	B. Number of modular homes project in operation	Delivery of modular home units on an HYI site (pending provincial funding)	One project with 4 units	On track	Funding has been secured from the province for up to eight units on the Sutton Youth site in the Town of Georgina

Complete On track At risk Will not be met Not yet started	Deferred or N/A for 202	1
---	-------------------------	---

Four-Year Actions	Key Performance Indicators	2021 Actions	2021 Target	Status	Details
					 Planning application has been submitted to the Town of Georgina Award to the lowest bidder in progress Units will be conventionally constructed, as the low bidder does not provide prefabricated units Shifting from modular to conventionally constructed units is not anticipated to impact timelines
		Identify candidate HYI site(s) for next modular home project	HYI site(s) selected	On track	 Funding has been secured from the province for up to 18 prefabricated units on the Leeder/Porter Place site in the Town of East Gwillimbury Planning application has been submitted to the Town of East Gwillimbury Contract execution with the lowest priced prefabricated builder underway
	C. Number of low-rise infill development units under construction on an HYI site	Identify candidate HYI site(s)	1 HYI site selected	On track	Development concepts underway for the two Region-owned sites to be included in an amended application for the Rapid Housing Initiative Round 2
	D. Number of public-private partnerships established for redevelopment of an HYI site	Identify candidate HYI site(s)	1 HYI site selected	Complete	 Exceeded target: Two sites have been identified consistent with the HYI Portfolio Management Plan: Armitage Gardens in the Town of Newmarket and Nobleview Pines in the Township of King Funding included in the Region's capital plan, contingent on federal/provincial contribution Report to be presented to the HYI Board in the fall
		Research potential public- private models	Public-private partnership models analyzed	On track	Research underway and consultant to be retained to review potential public-private models

	Complete On track	At risk	Will not be met	Not yet started	Deferred or N/A for 2021
--	-------------------	---------	-----------------	-----------------	--------------------------

Four-Year Actions	Key Performance Indicators	2021 Actions	2021 Target	Status	Details
	Increase in the number of units in the master plan over that at Armitage Gardens at present	 Secure approval for Armitage Gardens redevelopment as part of Regional budget with increased number of units 	Approval for at least 116 units	On track	Funding for the redevelopment of Armitage Gardens is included in the Region's 2020 capital plan for approximately 200 units, subject to federal and provincial funding
	F. Amount of capital funds raised through public-private partnership (e.g. sale of land, co-development)	• N/A for 2021	N/A	N/A	
1.3 Partner with the Region to develop resources and offer support to non-profit organizations interested in developing affordable housing	A. Number of feasibility analyses of development potential completed for non-profit development or redevelopment sites	Establish program to fund and complete development concepts	Program established	On track	 Program funding included in the draft 20-year capital budget submission in 2024 and 2026 to support capital development or redevelopment by non-profit housing providers Consultant to be retained to develop program parameters End of mortgage funding provides a potential opportunity to support non-profit development projects
		Engage with potential partners to explore opportunities	1 partner	On track	Preliminary discussions held with non- profit providers that are considering redevelopment
	B. Number of non-profit units supported with development of conceptual plans and/or connection to funding streams, land lease opportunities or other resources	• N/A for 2021	N/A	N/A	
Goal 2: Investment from other	levels of government				
Advocate to senior levels of government to fund new HYI housing developments	A. Maintain existing federal/provincial capital development funding	Work with the Region to target engagements (e.g. meetings or advocacy letters) with either the federal or provincial government to advocate for capital development funding	2 engagements	Complete	As part of the Region's 10-Year Housing and Homelessness Plan 2019/2020 Progress Report and 2021 Action Plan, submitted letters to federal and provincial governments advocating for ongoing capital funding to support development of at least 200 new community housing units

Complete At 15k Will not be met Not yet started Deferred of N/A for 202		Complete	On track	At risk	Will not be met	Not yet started	Deferred or N/A for 2021
---	--	----------	----------	---------	-----------------	-----------------	--------------------------

Four-Year Actions	Key Performance Indicators	2021 Actions	2021 Target	Status	Details
					per year, as well as continued funding under the Social Services Relief Fund • Meeting held with Federation of Canadian Municipalities representatives to secure advocacy support
2.2 Work with local municipalities to advance the development of HYI housing in their communities (e.g. provision of land, parkland, planning fees)	A. Percent of development projects with municipal fee concessions	Negotiate municipal fee concessions for the Whitchurch-Stouffville affordable housing development and the first modular home project	100%	On track	 Council of the Town of Whitchurch- Stouffville approved a reduction of parkland fees Discussions with the Towns of Georgina and East Gwillimbury will begin in Q3
	B. Number of municipal sites identified as suitable for affordable housing development	Establish outreach process to identify municipal sites suitable for affordable housing development	Process established	On track	 Following up with municipalities that have not yet responded to Council's request for the provision of land Will be working with those municipalities that have passed resolutions to dedicate land to identify potential sites
Goal 3: HYI residents impacted	by redevelopment are supporte	ed			
3.1 Develop and implement an HYI resident consultation and engagement process to inform planning for community redevelopment	A. Percent of residents in HYI communities being redeveloped who feel through an impacted resident survey that HYI was responsive to their needs	Develop and implement an HYI resident consultation and engagement process to inform planning for community redevelopment (subject to Rapid Housing Initiative funding approval for Nobleview, Orchard Heights and/or Brayfield Manor)	Consultation process implemented	On track	 Hosted information sessions for HYI residents for three potential Rapid Housing Initiative projects Informed residents that funding application was not approved and the projects are not proceeding at this time Projects will be removed from the Rapid Housing Initiative Round 2 application

	Complete	On track	At risk	Will not be met	Not yet started	Deferred or N/A for 2021
--	----------	----------	---------	-----------------	-----------------	--------------------------

Strategic Priority 2: Inclusive Communities and Successful Tenancies

Four-Year Actions	Key Performance Indicators	2021 Actions	Target	Status	Details
Goal 1: Communities are i	nclusive				
 1.1 Implement resident inclusion plan with consideration to: Accessibility of buildings Inclusive communications Business processes and practices that respect diversity Partnerships to provide programs and services that are important to HYI communities 	A. Number of properties where accessibility inspections are completed and enhancement plans implemented*	Establish assessment criteria and complete assessments	Assessments completed for all properties	At risk	 Completed a series of workshops to inform assessment criteria through review of 2019 resident survey responses, recurring resident accommodation requests and ongoing accessibility enhancement initiatives In process to secure consultant to finalize assessment criteria Why at Risk: Due to competing workload pressures for initiatives that are time-sensitive for third party funding Mitigating Actions: Recruitment underway to support projects Consequences: Assessments are anticipated to be complete in early 2022 No operational impacts are expected
	B. Percentage of residents who agree to receive general HYI communications electronically; baseline 10%	 Develop a comprehensive consent to electronic communications, including Landlord and Tenant Board notices 	Consent form developed	On track	Options being evaluated to adapt new Landlord and Tenant Board "Consent to Service by Email" form to address all HYI electronic consent requirements
		Identify a technology solution to manage consents	Technology solution identified	On track	 Yardi identified as preferred tool for tracking consents Working with department IT to implement configuration requirements
	C. Residents who report that HYI treats them respectfully	 Establish survey methodology for post- 	Survey methodology established	On track	RFP to retain consultant to establish survey methodology being finalized for

	Complete	On track	At risk	Will not be met	Not yet started	Deferred or N/A for 2021

Four-Year Actions	Key Performance Indicators	2021 Actions	Target	Status	Details
		COVID (2022) resident survey			posting on the Region's procurement website in July 2021
	D. Participation rate for programs offered defined as the number of attendees/ program capacity	Establish and implement data collection process for community engagement programs	100% of programs to utilize tools Baseline established Year 4 target set	On track	Data collection process under development
1.2 Research and establish tools to effectively build cultural competency amongst residents, and combat behaviours of	A. Percent of team members trained in anti-racism	Team members trained in anti-racism	100%	On track	 Four training workshops held on antiracism for the Housing Services management team Working with consultant to develop tools for the team
discrimination and bias that negatively impact communities	B. Percent of communities engaged in diversity and inclusion activities	Partner with subject-matter experts to deliver range of diversity and inclusion initiatives based on community needs**	20% of identified communities participate in diversity and inclusion activities	Complete	 Exceeded target: Five communities have been identified to participate in diversity and inclusion activities, four of which (80%) have participated in activities Hosted workshops for housing providers and working directly with residents regarding diversity and inclusion issues, with plans to begin supporting the remaining community
Goal 2: Residents are sup	ported to have successful tenancies	5			
2.1 Refresh the Tenancy Management Plan to reflect the changing economic environment	A. Percent of tenancies at risk for rent arrears preserved***	Offer payment plan options and supports to households in arrears	All impacted households offered options and supports	On track	Payment plan options and supports continue to be offered to all households in arrears

С	Complete	On track	At risk	Will not be met	Not yet started	Deferred or N/A for 2021
---	----------	----------	---------	-----------------	-----------------	--------------------------

Four-Year Actions	Key Performance Indicators	2021 Actions	Target	Status	Details
		Initiate Landlord and Tenant Board proceedings for households who do not make reasonable efforts to pay rent	97% of tenancies preserved	On track	 YTD number of households issued N4s for rent arrears as of end of June: 92 YTD number of evictions enforced for rent arrears as of end of June: 0 Percent of tenancies preserved: 100%
	B. Arrears in comparison to benchmark established through large community housing provider KPI initiative	Work with large community housing providers to establish KPI benchmark	Benchmark established	On track	Working with other Service Manager- owned and operated housing companies to develop processes to share data based on existing Housing Partnership Canada definition of households in good standing (that is, households not in arrears)
2.2 Continue to develop partnerships to support successful tenancies	A. Percent of program participants who feel through a survey the right programs/services are available in their HYI community	 Establish survey methodology for post- COVID (2022) resident survey 	Survey methodology established	On track	RFP to retain consultant to establish survey methodology being finalized for posting on the Region's procurement website in July 2021
	B. Percent of tenancies that are preserved when the tenancy is at risk for behaviour-related issues	Establish business process to identify and track tenancy management activities for tenancies at risk due to behaviour-related issues to set baseline, and ensure tenants are well supported	Baseline established and year 4 target set	On track	 In consultation with internal partners, established shared definition of tenancies at risk Tracking through Yardi with alignment with the Region's social work intake process is underway
	C. Percent of residents satisfied with referral services ****	Develop and implement resident satisfaction framework	Implement according to plan	On track	 RFP to retain a consultant to establish survey methodology being finalized for posting on the Region's procurement website in July 2021 Implementation will occur in 2022, in accordance with the work plan
