

# DEPUTATION REQUEST

REGIONAL COUNCIL

OCTOBER 21, 2021

**Subject:** Objection to the pavement

**Spokesperson:** Tina Barhagh

**Name of Group or person(s) being represented (if applicable):**

---

**Brief summary of issue or purpose of deputation:**

It is wrong for York to let the last remaining 5,000 acres of farmland and natural areas to be paved for more construction. There has already been enough constructions for this year and that is one of the reasons so many people can't afford houses anymore. With this pandemic we witnessed that we are not in control of nature and climate change will soon be in control of us if we don't act soon. I will explain more during the meeting.
