

DEPUTATION REQUEST

REGIONAL COUNCIL
OCTOBER 21, 2021

Subject: Opposition to Rezoning of Whitebelt

Spokesperson: Steve Gilchrist

Name of Group or person(s) being represented (if applicable):
Oak Ridges Moraine Land Trust

Brief summary of issue or purpose of deputation:

I would seek to rebut the fallacy that "growth pays for growth" and to offer the suggestion that the Region is acting contrary to the environmental best interests of its residents - and the rest of the planet - by promoting urban sprawl instead of intensification within existing urban envelopes in the south end of the Region.
