

# DEPUTATION REQUEST

REGIONAL COUNCIL

OCTOBER 21, 2021

**Subject:** Expansion of Urban Boundary

**Spokesperson:** Paul Doner

**Name of Group or person(s) being represented (if applicable):**

---

**Brief summary of issue or purpose of deputation:**

I support the proposed expansion of the urban boundaries. As a farmer and grain elevator operator I think it is important for council to hear what I see as happening in the farming community prior to making any decisions that will impact this industry.
