

2021 GTAA ANNUAL UPDATE YORK REGION

PRE-COVID: A NATIONAL ECONOMIC ASSET CREATING REGIONAL ECONOMIC BENEFITS

50,000

direct jobs
at Pearson

300,000

jobs in the Airport
Employment Zone

2nd

largest employment
zone in Canada

17,000

jobs in
York Region

\$41 M

in procurement
to York Region

\$42 billion

(6%) of Ontario's GDP

\$5.4 billion

in federal tax revenue
from tourism

OPERATING ON DEBT FINANCING

Corporate Structure

GTAA a private, not-for-profit corporate structure with revenue tied to passenger

\$746M Net Income Loss

In the last six quarters, the airport is operating almost exclusively on debt financing; it will take at least 5 years to recover this net loss

Passenger Traffic Trends

A reduction of 79% in passenger traffic year-over-year through Q2 2021

PEARSON HAS REMAINED ESSENTIAL TO THE FIGHT AGAINST COVID-19

By supporting:

Repatriation flights

Supply chain resiliency

Vaccine arrival/distribution

THE HEALTHY AIRPORT EXPERIENCE

Keeping passengers and employees safe:
Enhanced cleaning, mask-wearing, air quality upgrades, UV disinfection and more.

READY TO TRAVEL

With the measured easing of travel restrictions, the GTAA is well positioned to welcome back passengers in a healthy manner. We're ready when they're ready to travel.

 Passengers should expect delays as there are additional government checks that are required. [Learn more](#) →

MANDATORY VACCINATIONS

GTAA supports a requirement for vaccinations in the workplace and on September 14th released a vaccination policy for our employees.

Our policy requires:

- All GTAA employees to be fully vaccinated by October 31, 2021
- Accommodation provided for grounds covered by the Canadian Human Rights Act

We are **encouraging all businesses** operating at Toronto Pearson to do the same, and look to the Government of Canada to support with legislation.

All travellers will be required to be fully vaccinated by October 31, 2021.

WORKING WITH GOVERNMENT

Border Resourcing

CBSA and US CBP resources to meet demand for travel and keep passenger wait times down as the airport grows

Digital Health Credentials

Universal health verification certificates that can be integrated into existing border and airline processes, and streamlined for our passengers

Infrastructure Investment

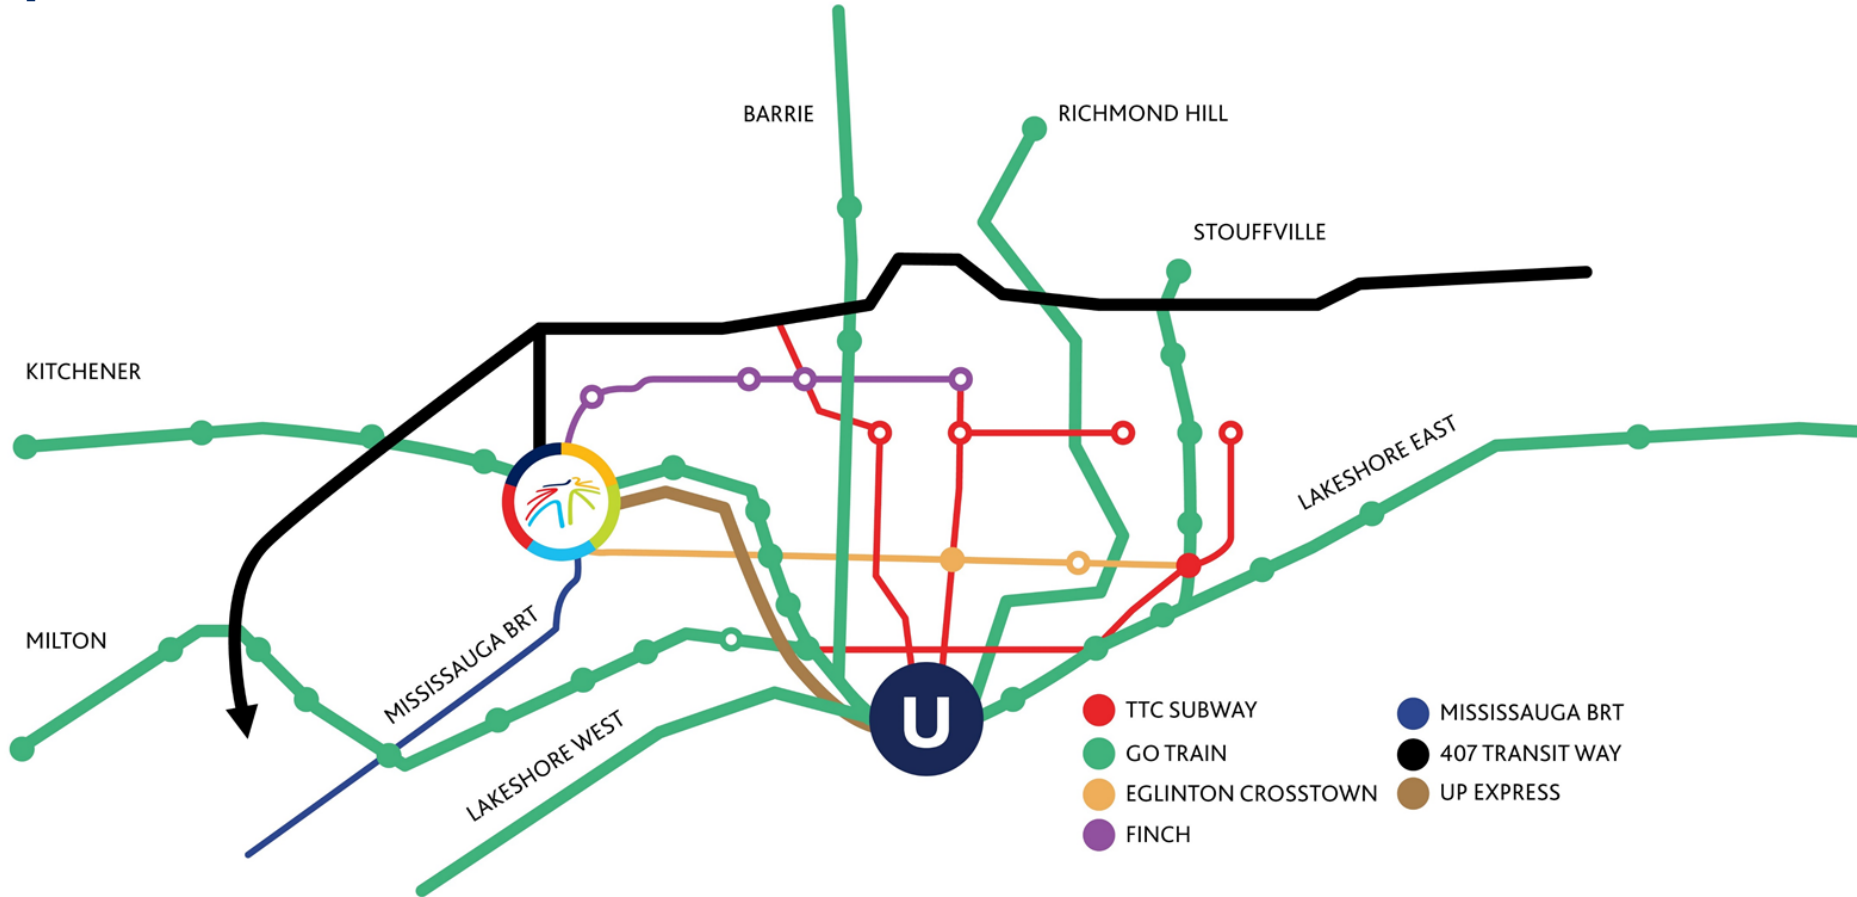

Funding (and rent forgiveness) to invest in critical airport infrastructure that supports Canada's competitiveness, including border modernization, runway rehabilitation, transit and COVID-19 testing

Revenue Opportunities

Facilitate non-aeronautical revenue opportunities at the airport: Arrivals Duty Free; Dual Shop Stores; retail cannabis; iGaming

BETTER TRANSIT CONNECTIONS

Better regional transit connections to Toronto Pearson would support the growth and competitiveness of businesses in the AEZ and the Greater Golden Horseshoe.

BEING A GOOD NEIGHBOUR

The communities we serve have remained important throughout the pandemic, and are a continued priority as we recover.

Community Investment:

- Our two **funding streams, Uplift and Nest**, support local organizations and projects working to create stronger, healthier and happier communities.
- **Nest fund** call for proposal Feb 2021: Total of \$300K in support of 7 Black and Indigenous led organizations to help in their capacity building activities.
- **Uplift fund** helped thousands of diverse jobseekers receive employment training and support and find new employment; and employers receive equity/inclusion training towards creating systemic change

2021 Community Programming:

- Connected virtually with more than 2,000 residents at 45 events across York, Durham, Peel, Toronto, and Halton Regions
- Showcasing Toronto Pearson's programs and initiatives as a good neighbour and corporate citizen, including community investment, noise management, and environmental programs

LOOKING AHEAD

We look forward to returning to pre-pandemic passenger levels, and what that will mean for the economic recovery of our surrounding regions.
