York Region Innovation Investment Fund Principles

Purpose:

To drive innovation in the community and to attract investment in major transformational projects of regional, provincial or national significance.

Eligible Projects:

- new post-secondary training and research facilities
- new research institutes
- new centres of excellence
- infrastructure projects directly related to development and utilization of new technologies
- other projects as deemed appropriate by Council

Eligible Proponents/Partnerships:

Eligible Proponents/partners include:

- local municipalities in York Region
- universities, colleges, school boards, and hospitals
- research institutes and centres of excellence
- private and non-profit corporations in partnership with any of the above eligible proponents

The Regional Municipality of York may be a lead proponent and seek partners from the above list of eligible partners to advance projects.

Proposals must include at least one partner that is not a private corporation. Proposals with multiple eligible partners are encouraged.

Evaluation Criteria:

Projects will be evaluated using the following criteria:

- Regional impacts, including:
 - o economic (e.g. amount invested, businesses supported, jobs created)
 - community/social (e.g. supporting local learning and employment, improving qualityof-life in the community and environment)
 - o geographic distribution of these impacts
- Support for and involvement of the following key economic clusters in the Region:
 - information and communications technology
 - healthcare and life sciences
 - o finance and business services
 - o environmental technology
 - o agriculture and agri-food
- Partnership development within the Region (e.g. engaging existing Regional partners and attracting new public and/or private investors)
- Significant leveraging of proponent/partner/investment at least matching or commensurate with the Regional investment.
- Preference will be given to larger investments and those that leverage a larger share of investment from parties other than the Region.

Application Process:

All funding applications will be subject to the following four-step application process:

- 1. Pre-consultation with York Region staff
- 2. Letter of Intent detailing project, partners and intended outcomes
- 3. Funding Application to be reviewed by a panel of York Region staff and external experts
- 4. Regional Council review of funding applications recommended by the Application Review Panel. Council at its discretion can allocate all, some or none of the requested funding

NOTE: The Manager of Strategic Economic Initiatives is the primary contact for all applications
