# Ontario Community Support Association

Ontario Community Support Association (OCSA) represents over 220 not-for-profit organizations that provide home care and community support services that help seniors and people with disabilities live independently in their own homes and communities for as long as possible.

# Health System Transformation

**Ontario Health Teams and home and community care modernization create opportunities for a fundamental shift in care delivery, planning and coordination for seniors.**

# Integrated Health AND Social Care

**Wrap-around care  
that is tailored to  
seniors' needs.**

**Focused on upstream  
prevention and  
rehabilitation.**

# People Aging Safely At Home

**85% of seniors who receive home care services say the service helped them stay at home.**

**91% of seniors want to stay at home if they are on a waitlist for a LTC, and additional supports could be provided to keep them at home or living with a family member.**

# People Aging Safely At Home

**3.7%** of seniors live  
in long-term care in  
Denmark

**4.8%** of seniors live  
in long-term care in  
Ontario

# Growing Demand

**Demand for services will continue to rise as the population ages, as those with physical disabilities want to age in place, and our population grows.**

# The Opportunity for York Region

**York Region is uniquely positioned to play a unique and coordinating role to help drive integration.**
