Wonderful visit with the York Region Economic Development team!

It was great to connect and share how TERAGO is empowering Canadian businesses with advanced connectivity solutions that drive digital transformation and innovation in manufacturing and beyond.

... opportunity to collaborate further within the #YRtech ecosystem. Growth right here in Markham!

Feeling grateful to see **Megalab Group Inc.** featured by **York Link | York Region Economic Development** 🙌

It's been incredible to watch our team's vision come to life — from a small lab with big dreams to hosting a full house of founders, partners, and innovators exploring how accredited testing helps bring new technologies to market.

A sincere thank you to York Link, Mayor **Tom Mrazek**...

2025 | Economic Development Partner Feedback

AHK Canadian German Chamber of Industry and Commerce Inc. 9,627 followers
5h • 🌐

#MemberMonday Spotlight: This week, we're highlighting **York Region (The Regional Municipality of York)** – one of Canada's fastest-growing and most innovative business hubs!

Located just north of Toronto, **York Region (The Regional Municipality of York)** is home to 59,000+ businesses and 1.2 million residents, making it Ontario's third-largest business centre. Known for its dynamic economy, strong talent pool, and thriving innovation ecosystem, it's where IT, clean tech, advanced manufacturing, and life sciences drive growth.

York Link | York Region Economic Development actively fosters collaboration with Germany, especially in technology and sustainable urban development; regularly welcoming delegations and trade missions that build bridges across the Atlantic.

We're proud to have **York Region (The Regional Municipality of York)** and their economic development team as part of the **Canadian German Chamber of Industry and Commerce Inc.** community – let's continue connecting innovation with opportunity between Canada and Germany **Gordon Scheel, CITP, Katie Maginn** and the whole team!

17m • 🌐

The **Town of Whitchurch-Stouffville** is fortunate to be home to a diverse and growing landscape of innovative companies like **Portfolio+ CA** 🇨🇦

From fintech to advanced manufacturing, our business community continues to punch above its weight — and **Portfolio+** is a shining example. A women-led team, a proudly Canadian codebase, and a workplace culture rooted in purpose and creativity — Thank you **York Link | York Region Economic Development** for the spotlight and visit to Stouffville!

It's companies like this that make Stouffville more than just a beautiful place to live — it's a place where big ideas are built. 🧠🌟

Ontario Automotive Export Business Mission to JSAE 2026

Sector: Automotive
Market Region: Asia and Australasia
Date: May 27, 2026 to May 29, 2026

The Government of Ontario is leading an Automotive Export Business Mission to JSAE Yokohama 2026 (May 27-29, 2026). Hosted by the Japan Society of Automotive Engineers (JSAE), the event is the largest automotive technology expo in Japan. JSAE 2026 will be offered both in virtual and in-person formats with 600 exhibitors and 80,000 attendees expected over three days. The show attracts visitors working directly in automotive engineering, as well as senior engineering decision-makers.
