## 3. Summary of Next Steps

The background is a solid blue color with several large, overlapping, semi-transparent geometric shapes. These shapes include circles and triangles in various shades of blue, creating a layered, abstract effect. The shapes are positioned such that they overlap each other, with some appearing more prominent than others.

**COMPLETE COMMUNITIES**

# What are Complete Communities?

## Key Features of Complete Communities:

1. Mixed-Land Use
2. Access to Public & Active Transportation
3. Safe & Accessible Streets
4. Affordable & Accessible Housing Options
5. Employment & Volunteering Opportunities
6. Accessible Green Space & Parks

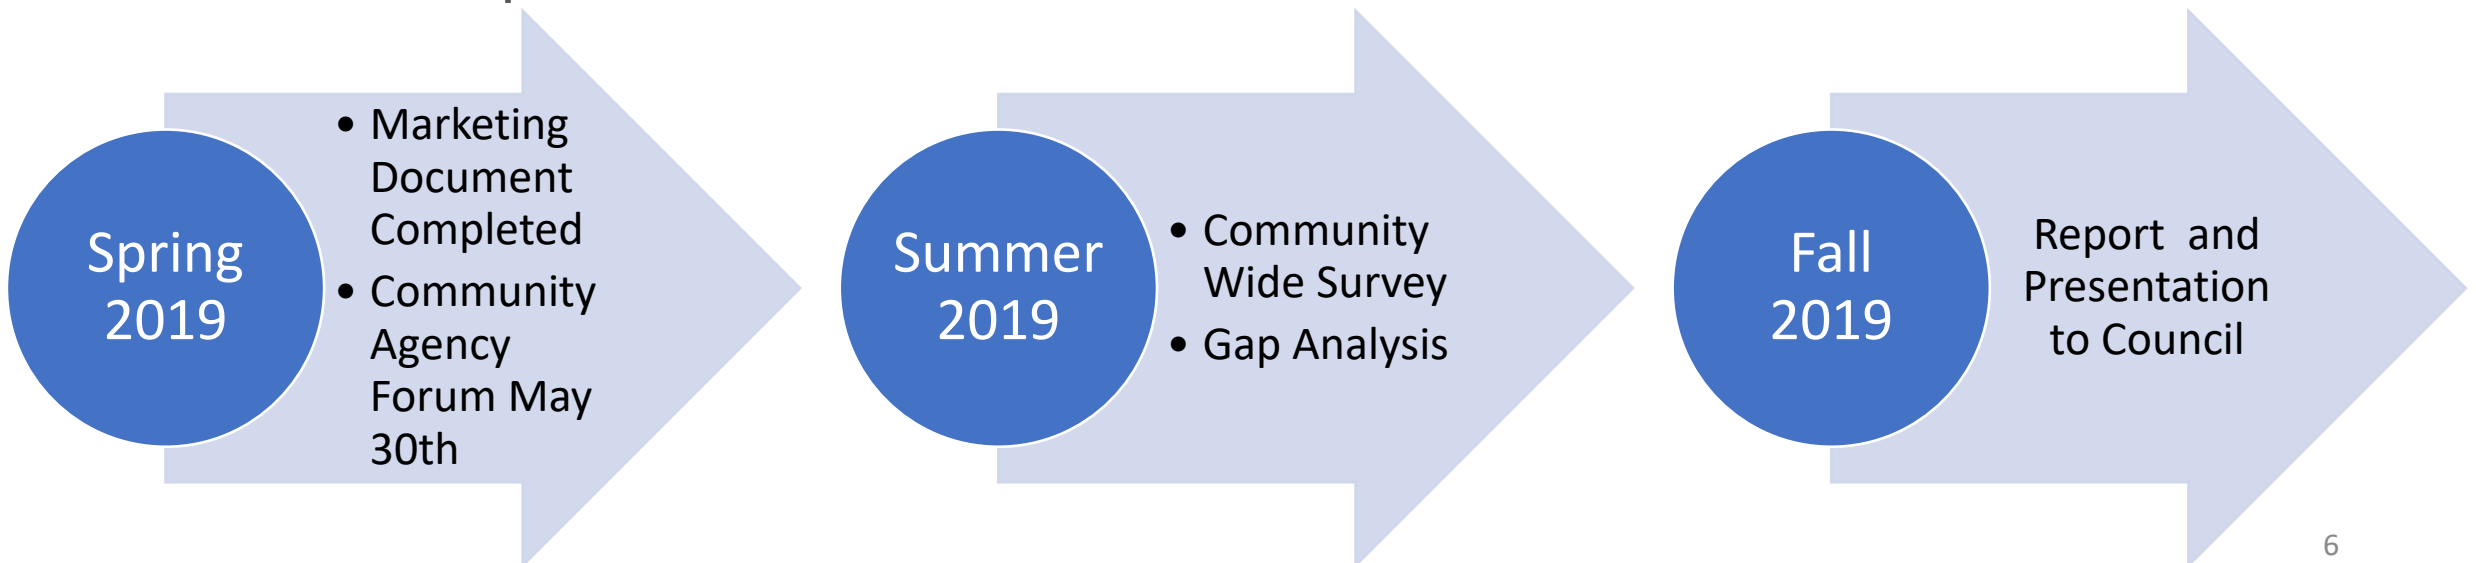

# Why are Complete Communities Important?

- Policy support for Complete Communities in:
  - **Growth Plan** – definition
  - **York Region Official Plan** – new community guidelines
  - **Provincial Policy Statement** – efficient use of land and infrastructure
- Good planning practice and cross jurisdictional effects e.g. Public Health, Built Environment, Sustainability etc.
- Focus on building complete communities:
  - Intensification
  - Centres and Corridors
  - New Communities
