Greater Toronto Area
Ontario Marginalization Index, 2016 -
Material Deprivation*
by Census Tract and Dissemination Area**

*Indicators in this index measure income, quality of housing, educational attainment and family structure characteristics.
Ontario Marginalization Index is an Ontario-specific version of the Canadian Marginalization Index. The 2016 update was created jointly by Public Health Ontario and the Centre for Urban Solutions at St. Michael’s Hospital.

**Data is shown by Census Tract, except for Brock and Scugog in Durham Region and Burlington in Halton Region, where only Dissemination Area data is available.
PROPOSED APPROACH

• Opportunity to build on and inform development of broader plans
• Opportunity to apply and learn from outcomes of targeted actions
• Human Services Planning Board of York Region endorses place-based approach
